Wee Break Midlothian is a joint initiative between VOCAL and Midlothian Council. The aim is to support unpaid carers in Midlothian to take a break from their caring responsibilities.

Everyone's idea of a break is different and the Wee Breaks team are here to help carers find the best fit for them; providing information on planning a break, funding and sharing ideas and suggestions of types of breaks that carers may enjoy – anything from a few hours a week, an overnight stay or a long weekend/ weeks holiday away.
